

THEATRE

Majoring & Minorin

The Theatre Department offers Bachelor of Arts (BA) degrees, as well as a minor in Theatre. The BA degree with a major in Theatre is designed to provide students with a solid background in theatre history, literature, performance, and design and production practices. Many students who choose the BA degree option have minors or double majors because they have other major intellectual or disciplinary interests, or they choose to pursue teacher certification.

Note on course numbering: 72- indicates Theatre Design, 73- indicates Performance and 74- indicates Theatre History and Criticism. 100 level courses are introductory level. 200-800 level courses may be appropriate for all levels unless otherwise indicated by prerequisite designations.
