

CLASSICS

After Southwestern

The rigor involved in the study of Classics prepares you well for a variety of careers.

Professional schools and business schools recognize that Classics provides a great intellectual foundation for graduate work in *any* field. Classics majors score especially well on standardized exams such as the GRE.

Careers in Classics range across a broad array of fields, including teaching at the high school or university level, museum work, gallery work, as well as scholarly publication.

Classics majors go on to a range of careers including law, business, medicine, even journalism.

For how ancient Greek, cutting-edge education, financial analysis, and graduate school in religion all are interrelated, see [Trey Frye's '12 story](#).
