Study Abroad

Summer Abroad (Photo credit: Lauren David)

Many of our Spanish majors and minors study abroad during their undergraduate years, for a summer, semester, or whole academic year. In past semesters, our students have studied, travelled, and interned throughout the Spanish-speaking world, in Peru, Ecuador, Spain, Argentina, Costa Rica, and many other countries.

[program](#) in Granada, Spain and [Dr. Carlos de Oro](#) will be leading the [Advanced Spanish program](#) in Buenos Aires, Argentina.

We typically offer the opportunity for students who would like to complete Spanish II and III abroad to do so in the summer, but will not have this opportunity in the summer of 2021. We will most likely have an Intermediate Spanish (Spanish II and III) program in Granada, Spain in the summer of 2022.
