Art Class Pre-enrollment Procedures (Before Registration)

Students who have officially declared the **Studio Art major or minor** through the Registrar's website may request **pre-enrollment** in Studio Art classes. This process helps students:

- Select courses based on their interest and degree plan
- Stay on track to graduate in four years

Pre-enrollment requires advance preparation. All steps below must be completed **before** the announced pre-enrollment date (shared each semester closer to the time).

Steps to Pre-enroll

1. **Declare Your Major or Minor**

Submit your Studio Art major or minor declaration on the Registrar's webpage.

2. **Plan Your Schedule**

Meet with your assigned primary academic advisor to create a schedule with no time conflicts.

3. **Get Advisor Clearance**

Advisors must clear you for registration before the pre-enrollment date. Confirm this clearance at the end of your advising session.

4. **Clear All Holds**

In Self-Service, ensure you have no holds on your account, including:

- Handbook agreement
- Payment terms agreement

- Financial, library, or other holds

5. Complete the Studio Art Pre-enrollment Google Form

On the designated date and time, fill out the Google Form sent by the Department Chair. The form will include a list of courses offered for the upcoming semester, and you will make your selections directly on the form. You will need to provide:

- Your student ID number
- Confirmation that all holds are cleared
- Confirmation that your requested courses do not conflict with other planned courses

How to Confirm Your Enrollment

- Check the Course Plan tab in Self-Service for your schedule.
 - Allow time for the Registrar's Office to process enrollments after registration begins.
 - Once pre-enrolled, you cannot change your class until the add/drop period at the end of registration.
-

Degree Plans and Planning Tools:

Degree Plans for both the **Bachelor of Arts (BA)** and **Bachelor of Fine Arts (BFA)** in Studio Art are available on the [Registrar's webpage](#).

- The BFA is by application only—interested students should contact the Department Chair during their sophomore or junior year.
